Nous nous proposons de donner quelques feuilles du Texte des Planches des Vers; mais l'Auteur a jugé plus convenable de donner de suite le Texte; concerne ces Planches, afin d'avoir le temps d'y mettre plus de perfection, méthode & d'exactitude. Nous répétons ici ce que nous avons souvent dit à nos Souscripteurs: nous les invitons à ne faire relier aucun volume de Planches, par que nous leur indiquerons l'ordre essentiel à suivre pour ne pas confondre une partie des Planches d'*Histoire Naturelle* avec une autre, par exemple celles des *Insectes* avec celles qui appartiennent aux *Vers*, &c.
